

Product Name :
Core Drilling Machine Motorised

Product Code :
ENGLABINGCAG4600016

Description :

Core Drilling Machine Motorised

Technical Specification :

Power Input: 2800W
No-Load Speed: 840rpm
Rated Voltage: ~220 V / 50Hz
Shaft Male: 1 1/4"
Max. bit diameter: Ø50mm/100mm/150mm

Features:

High-strength gear to keep the drill working long hours constantly
Excellent speed, smooth and stability during drilling
Compact size with light weight as well as safety in operation
Out setting water swivel seal facilitate making replacement when the seal worn out
The drills are equipped with a friction clutch as well as over load current protection for protecting motor
Bits capacity: 25mm Dia – 150mm Dia

Engineering Lab Equipment India
