

Product Name :
CNC Lathe Comprehensive

Product Code :
ENGLABINGCAG5000076

Description :

CNC Lathe Comprehensive

Technical Specification :

Input power: AC380V (three-phase), 50HZ
28 fault assessments
working environment: temperature $-200^{\circ}\text{C} \pm 400^{\circ}\text{C}$
the whole machine capacity: ? 3kVA;
Bench size: length \times width \times height (mm) = 1370 mm \times 600 mm \times 1890 mm;
Semi-physical lathe size: length \times width \times height (mm) = 1200 mm \times 600 mm \times 1300 mm;
