

Product Name :
Ice And Rain Protection and Control System Trainer

Product Code :
ENGLABINGCAG10300004

Description :

Ice And Rain Protection and Control System Trainer

Technical Specification :

Aircraft components and assemblies
Six separate sub-systems
Windshield Wiper System
Windscreen Wiper
Motor
Actuator
Wiper Arm and Wiper Blade
Windshield Heating System
Windshield with heating elements
Temperature Control Thermostat
Windshield De-Icing (Alcohol Dispensing)
Alcohol Tank
Alcohol Pump
Sprayer
Flow regulator
Pitot Tube with electrical heating elements
Propeller De-Icing System
Electrically Heated
De-Ice Timer

Brush Block
Prop Slip Ring
Ammeter
De-ice Indicator
Propeller Blade with De-ice Boot
Pneumatic De-Ice Boot System
Vacuum pump
Filter assembly
Regulator valve
Suction Gauge
Boot Pressure Gauge
Control valve
