

Product Name :
Flow Tables for Mortar and Building Lime

Product Code :
ENGLABINGCAG3900011

Description :

Flow Tables for Mortar and Building Lime

Technical Specification :

Two versions available: conforming to EN and ASTM standards, manual and motor operated.
Motor operated models are driven by a motor speed reducer and the number of drops are preset on the digital counter, which stops automatically the machine at the end of the cycle.
Used to determine the consistency of mortars and building lime.
Supplied complete with flow mould and tamper.
EN versions include also the filling hopper.
